## **MEDIA ADVISORY**

**FOR IMMEDIATE RELEASE: July 22, 2002**

### **GET Committee to hold special meeting to set unit price, enrollment periods**

**OLYMPIA** - The Guaranteed Education Tuition (GET Committee) will hold a special meeting July 30 to set the new GET unit purchase price and to set the dates for the next enrollment period.

The committee also will get an update on the development of a college savings plan that would complement the existing GET program. The GET program is a qualified IRS Section 529 program, enabling families to put aside college tuition funds, with a guarantee that their investment will grow at the same rate as Washington public college tuition. The increase in the value of the accounts over time is tax-free when the account funds are used for college education expenses.

The committee meeting is open to the public.
